

H version

The technical drawing shows two views of the M6000 LED strip light:

- Front View (Left):** Shows the top profile of the light fixture. It has a trapezoidal shape with a central rectangular cutout. The overall width is dimensioned as 193 mm. The height from the base to the top edge is dimensioned as 111 mm. A label "M6000" is visible on the right side of the front panel.
- Side View (Right):** Shows the side profile of the light fixture. It highlights the mounting bracket at the bottom, which features two screws labeled "2-M6". The width of the mounting base is dimensioned as 58 mm.
